## 1:1 Replacement for Display LB070WV8

Sample now available from stock!

### Dear subscriber,

New design? Not necessary! After the popular **7-inch display LB070WV8-SL02** has been discontinued by LG, we offer a 100% compatible replacement.

The OT070ZGWDLV00 model is a 1:1 replacement and can take the place of the LG display without any modification to the machine in hardware or software.

Martin Dibold  
Managing Director

### Your advantages

- **Samples ex stock Unterhaching:** quickly in your device
- **1:1 Plug & Play replacement:** re-design at zero cost
- **The 7" solution remains available in the long term:** Your security
