

How We Build A Better PTC Thermistor

- QTI Patented Technology
- Linear 7000 ppm / °C Temperature Coefficient
- EIA-575 Standard 0805 Configuration
- DESC (HI-REL) Available #98018
- EIA 481 Tape and Reel Packaging
- Temperature Tolerance Point Matching
- Rugged Fracture Stabilized Construction
- Eliminates Tin/Silver Whisker Growth
- Optimized For High Frequency Design
- Commercial Values Available From 22 OHM to 36K OHM
- Gold Terminations Available Per MIL-G-45204
